The 1996 varsity baseball team completed the regular season with an impressive 13-7 record. In a rebuilding year that saw only three players return to their original positions, the Vikings grew quickly as a team and qualified for the MIAA State Tournament. Co-captains Roger Hill and Ed Alfieri did an outstanding job of leading the team throughout the year. Newcomer Shane Hunter threw a no-hitter against Hanover in the second half of the season.

A spirited and talented group of student-athletes comprised the 1996 Viking varsity softball team. Captain Charlene McMackin led a group of experienced underclass players. The *Torch* yearbook is an annual keepsake here at East Bridgewater High School. The *Torch* is the production of a dedicated staff. The staff works for hours on end to create a successful yearbook. The staff is eternally grateful for the assistance of Mr. Paone, our advisor and Mrs. Russell, our computer specialist. Without their hard work and dedication the production of the yearbook would be nearly impossible. We think the 1997 yearbook reflects its own theme because it is "Too Good to be Forgotten."

Friendship

something no one can replace.

It's also something of true grace.

When things sometimes don't go your way,

Your friends will be there, come what may.

They'll always find it in their hearts,
To forgive and do their part.

To trust and always have hope and faith,

There are few things on this earth so great.

So treasure friendship from the start.

And hope it will not depart.

For it will always bring a smile,

This special love that makes life worthwhile.

Terrence,

Thank you for all the love and help you've given me since your mum's passing. You are a special young man . . . thoughtful, gentle and kind. You have been and always will be the joy in my life. Life would have been unbearable without you.

As you leave home and journey into the unknown, I know that your inner strength and values will clear any obstacles in your path. God bless you and protect you.

All my love,
Dad

P. S. Good luck, "T"!
"Bink" and "Dixie"

Dear Brian,

Sons come in many shapes and sizes with varied abilities and personalities; the possibilities and differences are without limitation. You are clearly one of the best. If we hadn't been lucky enough to have you for a son by birth, we would have chosen you.

We have watched you from the struggle of your premature beginning, when you had to fight simply to maintain your oxygen levels in your special incubator, to each new stage of your development. You have always quietly and diligently worked to be the best that you could be. Your strength of character and goal setting ability have earned admiration from the people who know you, especially your parents.

We know that your future will be successful because the basic goals you have set are extremely valuable. You have everything within you to attain them - courage, strong values, intelligence and, most importantly, perseverance. Nothing you need to succeed is beyond your reach, including a family who is proud of you and loves you very much.

With love,

Mom and Dad

Michael,

We are very proud that you have grown to be such a wonderful young man. For all that you are and everything you hope to be, we wish you love, happiness and success. Follow your dreams and reach for the stars.

We love you.
Mom, Dad, Rob

John,

We wish you the best of luck in all that you do.

With love always,
Mom, Dad & Adam
